RE: Lower Darby Creek Area Superfund Site – Clearview Landfill, Folcroft Landfill and  
Folcroft Landfill Annex

Dear Mr. Egan:

This letter has been prepared in response to your Required Submission of Information correspondence dated June 9, 2003 relative to the referenced locations. That correspondence has been forwarded to me for response. As a point of clarification, I would like to provide a brief background concerning the "Gulf" name. Chevron U.S.A. (Chevron) acquired Gulf Oil Corporation in 1984. In 1986 Chevron sold certain assets in the Northeast, along with the rights to use the Gulf name, to Cumberland Farms, Incorporated. Gulf Oil Limited Partnership was formed on January 1, 1994 and is only involved with the wholesale distribution of light oil petroleum products in the northeast. In addition, Gulf Oil Limited Partnership has the rights to use the Gulf name. Gulf Oil Limited Partnership was not in existence prior to 1994.

As such, Gulf Oil Limited Partnership did not send any wastes to the referenced locations.

Gulf Oil Limited Partnership respectfully submits that this information satisfies the requirements contained in the correspondence from the USEPA.
